Settlement or Village: Tibetan Children's Village - Lower Chauntra

Child ID: REC 80376

Gender: Female

Age: 10

Bio:

Tenzin was born in Ambala. Her family settled in a small Tibetan settlement situated near the Beas River. There is always fear of flooding during the monsoon season. Her father passed away leaving behind two children. Her mother has left the two children with their grandparents. Tenzin's grandparents do petty business selling shoes and readymade walking clothing by going door to door. Tenzin was born without an epiglottitis and received plastic surgery at a very young age. She can talk but her speaking is not very clear. There are no Tibetan schools in the area so she has been admitted in the Tibetan Children's Village in Lower Chauntra as a destitute child. She is currently in Class II.
