

Supporting the health  
and education of children  
and youth in northern  
India, Nepal and Tibet  
since 1962

## **TRAS Annual Sponsorship Report for the year 2022- 2023**

TRAS members currently sponsor 114 Tibetan children in the northern Himalayan region (72 girls and 42 boys), and we thank those members for their support and commitment. Over the years you have helped support over 785 children.

In 2023 we had 13 students leave the program - 9 graduated, 1 left school to become a monk, 1 left to join the army to help support his family and 2 from the Tibetan Women's Center in Rajpur received free placements. Sponsorship for 11 more children was started by our members.

The Himalayan region is both spectacularly beautiful, and at the same time, one of the poorest regions in the world. Sponsorship enables these Tibetan children to receive a quality education and learn the Tibetan culture and language.

We would like to help give as many Tibetan children as we can, a chance to grow up healthy and with enough education to improve their lives and those of their families and communities.

Please contact us at [info@tras.ca](mailto:info@tras.ca) or call 604-224-5133 if you would like to sponsor a child.
