Gender: Female

Bio:

Bhuti first started school at the age of 10 in Tsum, where she was born. Tsum is in Nepal and on the border of Tibet. It is a remote village situated in the highland. People living in this region are mainly Tibetan. Bhuti is a very fun loving girl and likes to play football. Her favorite color is green and she loves Thukpa (noodles). Both of her parents are farmers and have never been to school. A monk in her village helped Bhuti enrol in the Tibetan Children's School in Suja. She feels very fortunate to get this opportunity and is now in need of a sponsor. She would like to become an engineer.

If you would like to sponsor Bhuti for as little as \$40.00 a month, please e-mail us at info@tras.ca with your contact information.
