

“Together we can make difference in someone’s life”

Success stories of the individual students

(Under TRAS sponsorship programme),

With TRAS immense financial assistance and support many students have fulfilled their dreams and gave meaning to their life. Some of them are already paying their humanitarian service to the people of Spiti valley, while some of them are working outside Spiti valley.

1. Tenzin Angmo: -

She was the first Girl from Rinchen Zangpo society education programme to study medicine. She completed her course last year from Dr. Rajendra Prasad Govt. Medical College, Tanda (H.P) she is now working in Government hospital Tabo just few kilometers from her village. We do hope that she would provide best possible medical facilities to the people of Spiti Valley. Without TRAS kind help she couldn't think of making difference in her life.

2. Dakpa Tenzin :-

With the kind financial assistance from TRAS he managed to complete his studies in B.V.Sc (Bachelor of veterinary science) in the year 2012 from Dr. G.C Negi veterinary college Palampur (H.P) and now he is working at Government veterinary hospital, Kaza. (Spiti Valley).

3. Tenzin Chhoerup :-

He completed his M.Sc (Master of Science) from Forestry and horticulture university Nauni, Solan (H.P). He is now going to join a national bank as an agriculture officer.

4. Dorje Namgyal :-

With the shower of blessings from TRAS, Dorje completed his education and now is teacher at our school. He really dedicated to offer something back to the society and to help future seeds of the Spiti valley.

(Dorje along with his students)

5. Tenzin Dolma :- She completed her Nursing under Society education programme and now she is employed at PGIMER (Post graduate institute of medical and Educational research) one of India’s most renowned Hospital.

“ Still so many promising Students are flourishing under our care and ensure you to come with many more success stories of our needy children who belong to poor families and experience much hardship such as, malnutrition, poor sanitation, overcrowded living condition and many of the other social problems associated with poverty. TRAS way of helping those children with Sponsoring for their education is noble and highly appreciated. ”
